THE TIME

Time is GOD's inspector, the ally of the Son of Man

So said **INRI CRISTO**:

“In 1978, when I was on the way of spiritual transcendence which culminated in the revelation of my identity during the fast that occurred in Santiago of Chile, the LORD GOD, my FATHER, took me to the front of a very old house in the city of *Santo Angelo*, placed in the countryside of state *Rio Grande do Sul* (Brazil). It was a very, very old uninhabited house.

When showing me that house, the LORD said: “Look deeply at that house, the veranda, the balcony. Right over there promises of love were spoken, romances and affairs happened, little babies crawled and grew up, children played, women gave birth and cried of pain, moments of joy and sadness passed by, lovers lived close moments of passion, the destiny of many was sealed. People who inhabited the house were socially involved in the twists and turns of life and fate, they stood before an altar, went to the registry office to seal their commitment, and these people had children, and their children had children, and the children of their children had children in that house. But now, none of them live there any longer; they are all in another place”.

Next, going far beyond, He took me to the front of a cemetery, where their bodies lay already destroyed by the action of time. Children grew up, became adults, aged and died. What resulted from their bodies was right over there.

In past time, that house had life and witnessed the living of those people, but at that moment, it was abandoned. The glass windows had been broken, columns had vanished and there was no life in it any more.

So is the time: cruel, merciless, destructive, inevitable to Earth inhabitants. Only GOD is eternal, infinite, without beginning or end. He is, was and will always be the only non-created Being. He is infinite, never ending, never vanishing. Time does not matter for Him. GOD does not bend to calendar or clock. He created them only to smooth the progress of life for the inhabitants of Earth. Time rules over destiny, life, seasons; time does not stop; yet, it never ages. Time is the ally of those who trust divine justice, as it is written in the holy book of Sirach chapter 2 (*“When you come to serve the LORD, prepare yourself for testing. Set your heart right and be steadfast, and do not be impetuous in the time of calamity. Cling to Him and do not depart, so that your last days may be prosperous. Accept whatever befalls you and in times of humiliation be patient. For gold is tested in the fire, and those found acceptable, in the furnace of humiliation. Trust in Him, and He will help you; make your ways straight, and hope in Him”*). On the other hand, time is the executioner of sinners, since the law of karma is tied to the time. Time passes, men pass and the works remain.

Then, my FATHER showed the vicissitudes, the difficulties of my childhood, the ups and downs of my youth, the bitter experiences of my maturity and the long peregrination over the earth since the age of thirteen, from city to city, from country to country... everything was

necessary so that I became prepared to carry out my mission. He gave me memory regarding the most difficult moments of my reproof, the gales of laughter from my enemies, the derision and jibes from darkness spirits (*see The Banished*); but after all this He showed my inevitable victory. My FATHER said that, since I was no longer in the condition of landless person, and therefore not having to live in exile inside the country GOD gave me to incarnate in, I will feel time as my ally, united to me, and time will witness that, in the accomplishment of prophecies I announced before being crucified, glory will grant me love.

Time acts non-stop, it silently witnesses the changes of behaviors, customs, architectures, social position, physical condition, age, the course of human life, riches (which are always the same, they only change their owners...). The Police Central Station where I had been detained on the occasion of the Libertarian Act perpetrated in Belem of Para (Brazil) on the historical day of Feb. 28th 1982 is now, due to the action of time, a ghostly empty building. Prison “*São José*”, where I stayed during fifteen days and left under the protection of Divine Providence without depending on the assistance of attorneys, now is turned into a museum. Priest Faustino de Brito, who ordered soldiers to take off my tunic under force, died victim of a stroke, after being inert, but conscious, atoning for his sins in horizontal position. The archbishop (archbishop) of the time, Gaudencio Ramos, died victim of a cancer. Both, conscious that I am the Son of GOD and had perpetrated a libertarian act, begged to be buried in the cathedral of Se, the stage of Divine Revolution (see journalistic registers inside book AWAKENER 2nd part). The military officer that

ordered evacuation of people from the cathedral and, paradoxically, helped me get down from the altar, at that time a tenent, now is Colonel Watrein. Many of the children that witnessed the revolution now are adults, family leaders; married and are even reproducing children. So is the time.

Time and the return of the Son of Man

Two thousand years ago, people were not prepared to assimilate the teachings I gave to them from the part of my Father, and so I am giving those same teachings to them now, and others yet. For this reason I said to the disciples: ***"I still have many things to tell you, but you cannot bear them now. When the Spirit of truth comes, he will guide you into all the truth; for he will not speak on his own, but will speak whatever he hears, and he will declare to you the things that are to come. He will glorify me, because he will take what is mine and declare it to you. All that the FATHER has is mine. For this reason I said that he will take what is mine and declare it to you. A little while and you will no longer see me, and again a little while and you will see me, meanwhile I am going to the FATHER"*** (John c.16 v.7 to 16). When I promised them that soon I would return, I had not established a determined date, because a little of time for GOD may last many centuries. Two thousand years later and the ALMIGHTY provided the circumstances necessary for my return.

At that time it was very difficult to understand that someday GOD would inspire scientists to build the airplane and the television, these magnificent machines that would make possible the fulfillment of my mission in agreement to the prophecies of Apocalypse, according to which in my glory day I will visit all nations coming over the clouds and every eye shall see me. Yet before crucifixion He revealed to me that it would be like this, but only now, at the predicted time, I can explain to you these things so that you avoid fanaticism and the hoax of Catholicism imposed upon people during my absence from the Earth. Dodge out of the path of delirium, of fantasy, of schizophrenia; they belong to the pharisees who imagined I would fly like a bird with some lights flashing. For those who reason within logic and sensibility, I will obviously travel through the world by airplane, in order to gather my children from all parts of Earth's dimension. I will also be seen by all mankind through television. Even the humblest of people who do not own a TV will have the opportunity to see me on big screens installed all over the world in public squares (*"Behold that he comes over the clouds and every eye shall see him" – Apocalypse c.1 v.7*).

At that time, it was difficult likewise explaining to my followers and listeners that I would return through the divine and eternal law of reincarnation with the same face, the same voice, the same stature, the same silhouette, the same tunic, the same mantle, the same sandals, finally, the same image. It was necessary that time passed on Earth. Now, when they ask me why I am dressed in tunic and mantle, why I wear sandals, why I appear in public with my crown of thorns, then I can explain that I myself had

promised to return as I was, fulfilling John c.16 v.14 and 15 (*quoted above*). Sustaining my identity is quite often very difficult and uncomfortable due to lack of comprehension, fanaticism, the look of derision and jibe from those who point their finger and hastily judge despite never having talked to me personally. The LORD said that human conveniences and manners, always changing and adjusting to the passing of time, do not interfere with the sublime way of dressing peculiar to His Son. I am not a man, I am the Son of Man, and all of you are my children.

But truly, very truly I tell you: the greatest miracle, the greatest proof of GOD's immeasurable power was that He sent me back as I was before crucifixion, as you can corroborate through the Shroud, where the hands of Divine Providence impregnated my image. On the contrary, it would be much more difficult to fulfill my mission in this hard-hearted generation. Many say the Shroud is a forgery done in the Middle Age, however the most recent studies regarding this sheet prove its authenticity.

Do you not think, my children, that tragedies glimpsed worldwide day after day as have never happened before in humanity's history have no reason to happen now. Actually, they are the signs of my presence on Earth, according to what I had announced to the disciples when they asked about the signs of the world ending and my return (*"Tell us: when will this be, and what will be the sign of your coming and of the end of the age? ...And you will hear of wars and rumors of wars, for nation will rise against nation, and kingdom against kingdom, and there*

will be famines, pestilences and earthquakes in various places. All this is but the beginning of the birth pangs” – Matthew c.24 v.3 to 8). Biblical prophecies rigorously prove, IT IS THE TIME.

To much of the discouragement, disappointment and sorrow of my enemies (who thought it would be possible to crucify me again), it is also foreseen in the Holy Scriptures that in the glory day of the LORD I will have my hair white, therefore I will be in advanced age. My FATHER said that I cannot die, I cannot disincarnate while I have not fulfilled my mission of judging mankind and effect the consolidation of His holy kingdom over the Earth (*“His head and his hair were white as white wool, white as snow... and from his mouth came a sharp two-edged sword and his face was like the sun shining with full force” – Apocalypse c.1 v.14 and 16).* The two-edged sword is my tongue, which has power given by GOD to bless and curse.

Everything has its hour and its time to happen. As I had foreseen before being crucified, I still drink, gulp by gulp, the last portion of the bitter cup of reproach (*The second coming of Jesus: “...For as the lightening flashes and lights up the sky from one side to the other, so will the Son of Man be in his day. But first (before his glory day) must the Son of Man endure much suffering and be rejected by this generation. **Just as it was in the days of Noah, so too it will be when the Son of Man comes” – Luke c.17 v.25 to 35).*** During twenty years I lived as a landless person patiently waiting for the official recognition of my identity as INRI CRISTO. Only in the end of 20th century, on 24 October 2000, the Superior Court of Justice in

Parana State (Brazil) issued the revering sentence determining the rectification of my documents, in which appears the name I paid with my blood on the cross, INRI (*“To whom that wins... will I write upon him the name of my GOD... and my **new name**” – Apocalypse c.3 v.12*). It is the time.

Time and faithfulness

The schizophrenic, enemies of truth and of the kingdom of GOD (impostors, self-proclaimed pastors and ministers without being anointed by my FATHER, priests of the proscribed roman church – the whore of Apocalypse c.17), in the delirium of their fanaticism, think it is possible to defeat me. They are nothing but the blind leaders of the blind (*“But woe to you, hypocrites! For you lock people out of the kingdom of heaven, for you do not go in yourselves, and when others are going in, you stop them!” – Matthew c.23 v.13*). Day after day they are visited by scourge, by misfortunes, by diseases, inflicted upon them by the executioner time, since my presence on Earth in bone and flesh means the collapse of the sick empire built during my absence. I unmask these wolves under sheep skin using the false titles they have. By inducing my people to call them “father” and “pope”, they violate my Gospel, where it is written: *“And call no one your father on Earth, for one is your FATHER, the one in heaven”* (Matthew c.23 v.9 – priests are called father, and pope, from the Latin root, also means father; therefore, these titles are a hoax). I also said that I am the only shepherd (*“I am the good shepherd.*

I know my own and my own know me, just as the FATHER knows me and I know the FATHER” – John c.10 v.14), I do not recognize any pastor (who was supposed to be a “shepherd”). They are nothing but impostors who use my former name (Jesus) so as to illicitly gather the scant earnings from my people through the abusive practice of blackmail, of extorting the tithe and others.

Moreover, priests traitors of divine cause teach the Christians to worship cursed statues, violating what the LORD has said for millenniums and is abundantly registered in the Holy Scriptures (“You shall make for yourselves no idols and erect no carved images or pillars, and you shall not place figured stones on your land, to worship them; for I am the LORD, your GOD. You shall keep my Sabbaths and reverence my sanctuary” – Leviticus c.26 v.1 and 2 / “The idol made with hands is accursed, and so is the one who made it... for the worship of idols is the beginning and cause and end of every evil” – Book of Wisdom c.14 v.8 and 27 / “For outside the kingdom of heaven are idolaters... and everyone who loves and practices falsehood” – Apocalypse c.22 v.15 / “I am the LORD, that is my name; my glory I give to no other, nor my praise to idols**” – Isaiah c.42 v.8). Many of them, desperate, wish the visit of death, beg for it even in prayer, as the leader of the proscribed roman church, Karol Joseph Wojtyla (John Paul II), who is called “pope”. His state of health reflects the sickness of the proscribed roman church, which is dying victim of the divine whip called time. He travels throughout the countries at war, with the hope of being eventually murdered so as to achieve a place of martyrdom in the annals of history (look *Parable of the***

King, book AWAKENER 1st part). But death does not listen to traitors because it also obeys time, which requires that the penitent rescues his karmic debt. Ironically, those self-proclaimed representatives of Christ (or their successors) are the wolves under sheep skin that will come to say on that day: *“Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and make many deeds of power and miracles in your name?” Then, I will declare to them: “I never knew you; go away from me, you evildoers” (Matthew c.7 v.21 to 23).*

Time tests faithfulness, loyalty and perseverance of human beings. And just because the eyes of Earth inhabitants saw that I took a long time to return, they started to prevaricate, betraying the divine cause, and disparaging my teachings. For those very reasons I said: *“But the one who endures to the end will be saved” (Matthew c.10 v.22).* Life on Earth is tied to the time; for the inhabitants of the earth it is very difficult to imagine the non-existence of time in the heavenly plan, in the infinite where my FATHER, LORD of the Universe, lives. In eternity, where time does not matter, not one second has passed since I was crucified. There from where I came and where I was in spirit while absent from the Earth, there is no time. I that speak to you am spirit and reincarnated, but I am only passing by. After fulfilling the mission my FATHER entrusted to me, my body will be given back to mother earth and I will return to my origin.

Time in Science and Theology

GOD created the Universe and the world in millions, billions, trillions of years, but to Him it was instantaneous, in a click of His fingers, in a blink of His eyes. In the holy book of Genesis seven symbolic days were established for world creation in order to facilitate comprehension and rule over the life of men, even because, at the time Genesis was written, the level of human knowledge and scientific discoveries were not enough to provide them with a reasonable standard of comprehension inside rationality.

The scientist Charles Darwin was not merely a theorist scientist; he was an enlightened messenger, inspired by **GOD**. Evolution existed and exists in the spiritual realm as much as in the physical realm, and more. Evolution in the physical realm comes up with evolution in the spiritual realm. Life on Earth began in a very simple way and progressively evolved, passing through many stages, during millions of years. Life came from water to earth. Throughout time, it evolved since the simplest up to the most complex being created by **GOD**, the human being, *“made in the image and similarity of **GOD**” (Genesis c.1 v.27)*.

Human knowledge evolved in such a way that it now allows scientists to assert that evolution is not merely a theory but, as in fact, it is an universal law. My **FATHER**, **LORD** and **GOD** explained all these things to me directly, without my having passed through the academy of men.

In the account of creation it is written that GOD *“formed man of the dust of the ground, and breathed into his nostrils the breath of life; and so man became a living soul”* (Genesis c.2 v.7). The dust that He used holds the components of mother nature that my genitor ate in order to form my physical body inside her womb. All of you, my children, are made of clay, of dust; all the components necessary to make your body came direct or indirectly from mother earth. Even the milk from the cow that serves you as food comes from mother earth. All of you ought to recognize that Earth is the mother who purifies in suffering and patiently waits her dear children for the mystical meeting of renewal (*“You are dust, from dust you came and to dust will return”* – Genesis c.3 v.19). When GOD made me, Adam, sleep deeply, actually it meant that I had died. Meanwhile, what might have taken some months, years and even centuries later, the ALMIGHTY took from my body, together the ribs, the feminine part to make Eve; then I, Adam, and Eve reincarnated individually, as before I was androgynous, perfect, I mean, Adam and Eve in only one body (*“So GOD created Adam earth in his image, in the image of GOD he created **him**, male and female He created **him**”* – Genesis c.1 v.27 / according to the old Hebrew version). Do not confuse androgynous, which is the divine perfection, with hermaphrodite, the imperfection, a physical abnormality (look at the teaching *GOD is Perfect* inside book AWAKENER 1st part). I am not a man, I am the Son of Man, the reincarnated word. Since I fasted in Santiago of Chile in 1979, I do not live in the world as a man anymore. My FATHER gave me power over the flesh and since then I do not have the anxiety, the restlessness

inherent in men; I look at all men as my sons and at all women as my daughters.

Consider why GOD created the Milky Way, the galaxies, the stars, the planets, the sun, the moon, the sky, the waters, the Earth, the vegetables, the animals, finally, and only after all this he created a human being. I, that speak to you, am the first man, the First Begotten of GOD, Adam. I was the last and the first at the same time (*"I am Alpha and Omega, the beginning and the end"* – *Apocalypse c.1 v.8*), since my spirit had already passed through many stages of evolution until achieving the apex of biological evolution, which is the human condition. Otherwise, it would be an incoherence that GOD first created the animals and, last of all, created the human being and then gave him power of dominion over all the other living creatures (*"And you shall have dominion over the fish of the sea and over the birds of the air and over every living thing that moves upon the earth"* – *Genesis c.1 v.28*). Although the malignant voices of darkness tried to silence the truth, Darwin faced them and exposed the unchangeable truth; he explained and demonstrated the evolutionary process beneath the light of divine inspiration. True science never collides, never shocks against true Theology, the true wisdom emanated from the CREATOR. The "lurelogists", "swindlelogists" and "hoaxlogists", who consider themselves theologians, conflict with Darwin's precepts; orphans of divine inspiration, they remain obstinately narrow-minded to the symbolic calendar established by GOD in Genesis. They do not and cannot understand that the LORD created time to

smooth the progress of comprehension regarding the divine creation.

Time and Karma

GOD established the laws that rule over the Universe, which are eternal for being perfect and are perfect and unchangeable for being eternal. As I have already explained several times, the divine law can be summarized in two words: action and reaction, cause and effect. Since **GOD** created the first particle of life, this particle was subjected to the law. All that exists and moves in the Universe is subjected to the law. Therefore, all the acts you practice, all the thoughts you project, the good and the bad ones, will someday return back to you, as predicted by the law of karma, which is tied to the time. Divine justice comes at the right time, at the right instant, at the time determined by Divine Providence, according to the law of equality, which consists of unequally distributing to unequal ones in the measure they unequal themselves. It is worthy to remember that in suffering the great spirits rise above themselves and practice praiseworthy works, and the stingy ones reveal themselves, unmasking the false cover of goodness.

GOD created the law so perfectly, with no possibility of amendment. It is worth forever; within millions of years, even if the sky and the earth pass away, it will continue unchangeable, because it is perfect. Do not think that it is the **LORD** of the Universe who punishes you. In His greatness, immeasurableness, magnitude, He does not

need to descend from the height of His majesty to punish whenever you commit a sin. The law He created punishes and rewards making use of the tribunal inside your consciousness, where there is a judge always on duty.

When you commit a sin, even if nobody saw or knew it, your eyes have seen and your divine side, which is connected to the CREATOR, will inevitably charge you. Mother nature, executioner of divine law, making use of GOD's inspector, which is the time, charges you with the punishment, and rewards you for your good works. You may have certainly heard: "Divine justice is late, but it does not fail". However, I tell you indeed that divine gifts and divine justice are never late; they come at the right time.

The cycle of life is being born, growing, living, evolving and disincarnating. Being born again, growing, living, evolving and disincarnating. Only beneath the light of the divine law of karma and reincarnation, which are inseparable, it is possible to comprehend why some people are born handicapped, blind, deaf, without an arm, without a leg, etc. If GOD said and it is registered on the Holy Scriptures that man was made in His image and similarity, then would have He failed during the pregnancy of that woman who had one crippled descendant? Truly, very truly I tell you: when a person committed many sins, violated the divine law many times in only one incarnation and could not catch up with paying all his karmic debt, then he returns with a physical defect in order to settle what he owes to the law through a purgation more or less difficult according to the dimension of the contracted debt. When a person comes into embodiment with a physical disability,

it is the sign that the penitent brings to indicate that is rescuing the karmic debt. If that person reincarnates in painful conditions and, during his existence, remains humble at LORD's eyes and assimilates His holy law, will comprehend it was not GOD who punished, but the pain was only for rescuing the debt with the law. After the time of atonement, if the person is humble and sincerely repentant of sins, they will reincarnate with a perfect body again.

Now you can understand why GOD forbids defective people from approaching the altar (*"The LORD spoke to Moses, saying: Speak to Aaron: No one of your offspring throughout their generations who has a blemish may approach to offer the food of his GOD. For no one who has a blemish shall draw near, one who is blind or lame, or one who has a mutilated face or a limb too long, or one who has a broken foot of a broken hand, of a hunchback, or a dwarf, or a man with a blemish in his eyes on an itching disease or scabs or crushed testicles. No descendant of Aaron the priest who has a blemish shall come near to offer the LORD's offerings, since he has a blemish, he shall not come near to offer the food of his GOD. He may eat the food of his GOD, but he shall not come near the curtain or approach the altar, because he has a blemish, **that he may not contaminate my sanctuary, for I am the LORD**" – Leviticus c.21 v.16 to 24*). Why contaminating? As the defective person owns that abnormal physical condition, then will become naturally revolted, vulnerable to receive negative energies from the malignant. Consequently, through these bad energies the penitent would be contaminating the altar. But nobody can judge, despise or

mistreat these people. Treat them with love, charity, comprehension; the same way, defective people cannot rebel against the CREATOR, but trust in the accomplishment of His holy law, which is righteous and perfect. If reincarnation did not exist, it would be an injustice, a cruelty, an incongruence if the LORD allowed the birth of a crippled person and then, mercilessly, humiliate by forbidding him to approach the altar. As reincarnation exists, everything is explained. GOD is perfect and, for being perfect, does not make mistakes. In the divine law, there is not and there cannot be contradiction. Everything has a meaning.

Certainly, you may have already observed that some crippled animals come into being. According to divine law it can happen because it is not foretold in the bible that bestial beings were made in the image and similarity of GOD. They also do not have free-will and, therefore, they do not sin like the human beings. In this case, mother nature rules over the birth of crippled animals in order to propitiate harmony, equilibrium on food chain; young predators that still do not know how to hunt or feed are able to feast on animals that can hardly walk, and so on. If anything in the context of divine law seems wrong, actually it is part of a whole that is right; as I have already said before, GOD is infallible, He never fails.

Current Time on Earth

Life on Earth in this century of hardened hearts is truly a race against time, people are ruled by the hands of the

clock. Most of humanoid “espevos” (*false developed spermatozoon*) integrant members of this chaotic world live unhappy, anguished, distressed, in a hurry, anxious, with many health problems, because they are slaves of time. Without GOD’s blessing, they run desperately in search of something that, actually, they will not find anywhere except inside themselves. Nowadays, people do not have any more time to observe nature landscape, the sunrise and sunset, bird singing, the beauty of flowers, the unusual shapes of clouds, the falling rain refreshing the earth, not even feeling the wind blowing on their faces. People are quitting their lives, they become machines, robots, as I have explained when I spoke the *Parable of the Clay Vessel*.

Men are despising simplicity, which is the last stage of wisdom. They were oriented to be slaves of noise, of deceiving propaganda, of luxury, of superficiality, of excessive easiness, of superfluous spending, etc. The world has been brought to its knees before the scheme of international globalization. If they publish on a panel: “Dog’s faeces, the newest vaccine against AIDS”, then you will observe a considerable number of people that, with no personality, without reasoning, will be knelt down, creeping behind a dog in order to obtain a little cup of faeces. If on the next day they change the advertisement to: “The ingestion of dog faeces provokes AIDS”, then those same people will instantaneously quit eating faeces, and so on.

In 1981, while I was in Paris, the LORD led me to the subway entrance next to *Gare du Nord*, where thousands

of people ran hallucinated in the direction of the entrance, in the frenetic dispute for a space to get in. Then, my FATHER told me: "Look, my Son, can it be considered life! Your descendants live like rats in a sewer ducting, they walk like worms beneath the earth, all because of disobedience to my law (*necrophagy, fornication etc.*), which culminated in disordered procreation and consequent demographic explosion! Look deep how your children are, which point has humanity achieved!" This is the reality that the LORD showed me; it is cruel, but is the reality.

Parents do not have time for descendants and descendants do not have time for their parents. Children are losing the most important period of their lives in front of machines, computers, television, that deeply harm their personality and damage their faculty of thinking. That is the main reason for the appearance of so much distress and misunderstanding between parents and children. And so education, tradition and good manners are slowly exhausted.

When achieving adolescence and then adulthood, human beings must learn to keep purity. Let time pass through you, not over you. Truly, very truly I tell you: when I spoke two thousand years ago: "*Let the little children come to me, and do not stop them; for it is to such as these that the kingdom of heaven belongs*" (Matthew c.19 v.14), I did not say that a person 1,80 meter high must reduce stature; yet must keep purity, I mean, live the state of purity as children do.

Why, in general, from a certain age on, people who live longer start to search more often for churches, and temples? They intuitively realize that their spirits are about to ascend to a superior realm, as time on Earth is about to finish. They do not have consciousness, and in their fear of confronting death they go to a place where they mistakenly believe that GOD is found being worshipped and adored.

For being close to GOD is to be happy, live deeply each minute, each instant as if you would disincarnate tomorrow, feel the joy to be in peace and harmony with the Celestial FATHER and mother nature. This way you shall have a long life, as living in the present you will also be taking care of your body's health; your body is the greatest good, the greatest gift the CREATOR has given you. Search for happiness in your inner, inside of you, as you will never completely find it outside, in the parachute, in the hang-glider, in the swimming pool, in social meetings, in love affairs, in carnival parties, in rock dances, in drug illusion, etc. These are only moments of enjoyment, however the complete happiness you will find only when establishing a symbiosis with the ALMIGHTY, as I said when I was called Jesus: *"But strive first for the kingdom of GOD and his righteousness, and all these things will be given to you as well"* (Matthew c.6 v.33 – see *The Quest* inside book AWAKENER 2nd part).

Time and the true sins

When the kingdom of GOD is established inside you, the other things come in addition, obviously without being guided to fanaticism, which is one of the greatest evil things existing on the face of the Earth. Much of what the so-called servants of GOD inculcated into people's minds as being a sin serves only to keep them alienated, subservient to their illicit purposes. From the part of my FATHER, I tell you what a sin is: **all that you do that makes evil to you or to others is a sin; all that you do that does not make evil to you nor to others is not a sin.** Smoking is a sin because it brings evil to you and to the surrounding people. Stealing is a sin because it damages the ones from whom you illegally subtracted the goods and also damages your consciousness, which will accuse you with no escape. Hating is a sin because you may have an ulcer and even die victim of many diseases in your body; when you emanate negative energies, you will also be making evil to those whom you hate. Envy is a sin because you forbid the Celestial FATHER, the ALMIGHTY, to bless you with abundance; By envying the gifts or possessions of your fellowman you are preventing Divine Providence from bestowing the same blessings on yourself. Eating too much is a sin because you deform your body, dilate your stomach, and will become a negative point of reference. Saying the rosary is a sin, as you will pray the spurious prayer "holy Mary mother of GOD", in a conscious or unconscious attempt to diminish the majesty of the LORD of the Universe, the only non-created being. Attending mass too often is a sin, since the main objective of the treacherous priests, the divine cause traitors, is teaching

countless lies, among which is the one that I went to heaven in bone and flesh; this is the greatest mistake, the greatest lure placed into Christian's minds (read *Resurrection – Humanity's Stumbling Stone*). Paying for sacraments is a sin, as sacraments sold for a price are all false, since I said to my disciples: *"You received without payment, give without payment"* (Matthew c.10 v.8), differently from what the false servants of GOD say, as they serve from GOD instead of serving Him. The false religions have a detrimental effect on people's minds, causing them to regress spiritually, teaching them to become alienated, fanatical, so that they lose time and fail to progress in life. I had not intended that any religion should flourish during my absence. On the contrary, I said: *"But whenever you pray, go into your room and shut the door and pray to your FATHER who is in secret; and your FATHER, who is in secret, will reward you"* (Matthew c.6 v.6). It is convenient to point out that when I spoke to my disciples **in the singular**: *"Peter, you are Peter and upon this rock I will build my church"* (Matthew c.16 v.18), it meant a gathering of people around my doctrine, as it happened while the only church that I left was called "The Sect of the Nazarene" in its beginning. However, since Christianity expanded among the paganism, it became the great spiritual strength of roman society, at that time, and the religion of the overwhelming majority. The only viable solution found by those who monopolized power was to incorporate and commit Christianity to the established order, turning it into an ally and the ideological instrument of justification for the Roman State. First, little by little, the cult of images was introduced as an influence of pagan costumes, making the attraction of adepts easier. In year

313, their own Emperor Constantine was formally converted to Christianity (and his pagan servants did not delay to follow his example), with the intention of obtaining support from the Christians. In 321, he determined the change of the resting day, substituting **Sabbath (Saturday) which is the day consecrated to the LORD**, by Sunday, the sun day of the pagans. In 391, through the Edict of Thessalonica, Christianity became the official religion of the Roman Empire. Centuries later, reincarnation was suppressed from Christian doctrine due to an historical mistake performed by emperor Justine, and so on (see *History Annals* on book AWAKENER 1st part).

This and other ways, the only church I established stopped being my church, Christian, to become the Catholic Apostolic Roman Church. Catholic, which also means universal, because the intention of Roman Empire was to have dominion over the Earth; apostolic because it was organized by Constantine's apostles, not by my apostles. Roman because it incorporated the costumes and rituals of the pagan Romans. For that reason, when time passed and the gates of hell started to prevail (selling of sacraments and indulgences, Inquisition, castration of boys who would sing in the chorus of Cistine Chapel, use of false titles, political treaties in charge of benefits, etc. my FATHER sent me back to this world and ordered that I was to break the bond with the proscribed roman church, the whore of Apocalypse c.17 (*"The woman was clothed in purple and scarlet, and adorned with gold... holding in her hand a golden cup full of abominations and the impurities of her fornication... mother of whores and of earth's abominations"* – Apocalypse c.17 v.4).

On February 28th 1982, as an order of the ALMIGHTY, I perpetuated the Libertarian Act inside the cathedral of Belem, state of Para (Brazil), which meant the breaking of the bond with my former church and the birth of the New Catholic Order. When I was inside the cathedral, the LORD said: ***“Behold, my son, this is not your house or mine. My house is your house. This is the house of idolatry, the house that sells your name and my name. It is just like a prostitute, for while the prostitute sells her body, this house, which had been your church, sells the sacraments that are her body. Due to iniquity that prevails in all churches, this is neither my dwelling nor yours. For this reason I order you to establish my kingdom there on earth, and announce to the world that this is my command. I am the GOD of Abraham, of Isaac and of Jacob. I am your LORD and GOD, the same who opened the sea for Moses to pass and comforted you as you agonized on the cross. I am the only LORD of heaven and earth”***. At this strong and sublime moment, SOUST came into being – the Supreme Universal Order of the Holy Trinity (*Suprema Ordem Universal da Santíssima Trindade*), my new and only church, in the formation of one flock and one shepherd (John c.10 v.10). Henceforth, the LORD declared the roman church proscribed.

On September 24th 1983, aiming to ratify the break up with my former church, the Supreme CREATOR of the Universe determined that I go personally to the Vatican, on the occasion when He spoke, inside the Basilica of Peter, this unchangeable and irreversible sentence of extinction: ***“Dry, sick tree, dry! Dry so that the good tree I planted***

grows and gives to me and to my children, the children of Israel, the fruits you refuse to give!". Each day, with no strength to react against the devastation of divine justice and the inevitable lash of the divine angel of execution, known as time, the sick tree exhausts the victim of the pact it perpetrated with malignant servants (look on book AWAKENER 2nd part – *Scandals in the Bosom of Proscribed Church*).

The good tree the LORD referred to is SOUST, where the children of GOD are free, and on Saturday evenings, gather together in a loving meeting. In my FATHER's house all sacraments (baptisms, weddings, blessings...) are conducted without charge, in the faithful fulfilling of what I announced before being crucified: *"You received without payment, give without payment"* (Matthew c.10 v.8). The word "religion" is originating from Latin (religare), it means re-binding the human being to GOD. Only those who dared to get away from GOD need religion. Whosoever does not despise GOD and thinks about Him everyday, living in symbiosis, in tune, in communion with His holy and eternal laws, this one does not need religion. How is it possible to be re-connected to GOD if one did not disconnect from Him in the first place?

Actually, whosoever prays too much does not have time to please GOD and do good works. The pious and devout ones, those who say the rosary, who work endless rituals, these ones need religion, they need to fill out the emptiness of spirituality, they need to attend mass every day in order to drug their consciousness, as they were deceived since childhood in the Catechism of hoax, they

were taught to despise GOD by kneeling down before statues. Very truly I tell you: the rituals were created by men to fill the emptiness of spirituality. The more rituals, the more buildings, the more pictures and images to make visual impact, the more luxury, the more it means absence of spirituality. The true mystic does not need to hide behind mystical symbols. It is enough for him only to be in truth. And the more mystical he is, the closer he is to GOD, the more he knows and feels that he is nothing, the more he strips from the ego and comprehends that only GOD IS. Actually, we are nothing. Only GOD is.

In reality, those who search for GOD in idols despise the love for GOD, which is the most important love; they are turning their back on Him by worshipping the cursed idols, whatever the idols are (*"The idol, work of human hands, is accursed, it and its author" – Book of Wisdom c.14 v.8 and 27, etc.*). The Pharisees who are called evangelicals need religion as they bend in front of false prophets, impostors who are self-proclaimed pastors, without the anointing from the ALMIGHTY; they forgot what I said when I was called Jesus: *"Beware that no one leads you astray. For many will come in my name, saying: "I am the Messiah, and they will lead many astray. For false messiahs and false prophets will appear and produce great signs and omens, to lead astray, if possible, even the elect" (Matthew c.24 v.5 and 24).* They came in my former name (Jesus), while I returned with a new name and in the name of my FATHER. I returned to renew the life of those who feel and realize that there is something wrong and are unhappy, distressed with this chaotic world. Although deceived in faith, these ones truly search for my FATHER, LORD and

GOD, who is in me. The best way to enjoy time is serving from time and put it at the service of GOD (*"This is the work of GOD, that you believe the one whom He has sent"* – John c.6 v.29).

Time and Divine Justice

The more time passes, the more the justice of my FATHER shines. My enemies who bet on the passing of time contemplate divine justice shining. Many are even going to the grave. The body unites with nature, meets mother earth again; however the spirit, due to the weight of sins, cannot even rise to superior realm, to the infinity. These are the so-called plagued souls, who need to share their purgation and then incorporate in the incautious and reckless, unwarned ones.

On Earth everything is passing by, only GOD lasts forever. As I am His emissary, it is worth remembering once more what I said two thousand years ago, and my words stand forever: *"Time passes, but my words will not pass"* (Matthew c.24 v.35). **Coherence, logic and truth are inseparable. The wise meditate with discernment..."**

THE PROPHECY WAS FULFILLED

The prophecy was announced and the voices of people acclaimed: one thousand years came and two thousand would not pass without the Son of Man's reappearance to humanity. He did not return from the sky flying like a bird as fanatics hoped in delirium. This "Christ" has not nor will never come; he is merely the result of fantasy created by wolves under sheep skin, faith mercenaries (Matthew c.7 v.15). According to GOD's sacred and eternal laws, INRI CRISTO returned to Earth in bone and flesh, reincarnated. The prophecy was fulfilled.

Want it or not, earth inhabitants will have to get used to the fact and assimilate the irrefutable idea that INRI CRISTO is the Messiah. However, as he had prophesied two thousand years ago, before his glory day he still drinks, gulp after gulp, the last portion of the bitter cup of reproach (*"But first (before his glory day) must the Son of Man suffer many things and be rejected by this generation. As it was in the times of Noah, so too it will be when the Son of Man comes"* – Luke c.17 v.25 to 35).

If INRI CRISTO is not the Messiah, who then is he? Trying to unmask INRI CRISTO proves to be unfruitful, because he is authentic, and does not have a mask. While the miserable boycott against the Son of Man endures, the world cannot have peace and humanity, aimlessly, will have to live with tragedies, earthquakes, inundations, terrible storms, pestilences, hideous crimes, serial murders, social disorders... God despises those who show indifference towards INRI CRISTO, the Divine Word. Christian people,

discrediting the CREATOR, disoriented, dumbfounded, mutter among themselves: “Has GOD failed in the promise to send his Son back to Earth? Where is Christ?”

INRI CRISTO foresaw in Matthew c.24 v.5 and 24 that many false christs and false prophets would come in his former name (Jesus), as the example of Jim Jones, David Koresh and the founders of traps named “Pentecostal”, “Christian”, “Evangelical”, impostors who are self-proclaimed pastors without GOD’s anointing. Different from all of them, INRI CRISTO returned with the same face, with a **new name** (*“To whom that wins... will I write upon him the name of my GOD... and my **new name**” – Apocalypse c.3 v.12*) and in the name of his FATHER.

The vehement need, caused by hunger and misfortunes, will press GOD’s people to clamor for INRI CRISTO’s presence in order to hear his **voice of hope**. When the time comes, inevitably, the black curtain of boycott will be wrecked and blindfolds removed from people’s eyes; INRI CRISTO will be seen by all mankind in a worldwide TV net, for joy of pure-hearted men, of the simple, the humble, the righteous, the ones that love truth, hope and serve righteousness (*“Every eye shall see him” – Apocalypse c.1 v.7*).

THE BANISHED

INRI CRISTO at the time of reproach

“Foxes have holes and birds of the air have nests, but the Son of Man has nowhere to lay his head” (Matthew c.8 v.20)

Gulp by gulp, INRI CRISTO drinks the last portions of reproach bitter cup (*“But before his glory day, must the Son of Man suffer many things and be rejected by this generation. As it was in the times of Noah, so too it will be when the Son of Man comes” – Luke c.17 v.25 to 35*).

Once upon a time, he lived with the princes but passed to walk lonely, taken from home comfort, stripped of earthly goods. A banished being, without land and without destination. His soul: a storm, like the bad winds that lashed him as the lash of primitive work overseers.

He was pushed ahead, always ahead by his CREATOR, LORD and GOD. Always another and another city, always another and another country, in search of meeting with his own again, in this chaotic world, in this corrupt, iniquitous and moribund society, in the spiritual deserts where sentries of concrete, erected like towers of living-death, tried to bar his path. Each night the gloomy embrace of loneliness and the jeering murmur of winds enveloped him; in his ears, voices of darkness scorn resounded.

His mind was tortured by the insistent visits of demons trying to inculcate in him the doubt: if he thought of

memories of past triumphs, or the terrible disasters still to come, or if the unendurable cold of reproach would not make him crazy. He could not heat the freezing kiss of thirst for friendship into his heart, nor escape from the implacable fury of the false religious and pharisees that call themselves believers, evangelicals... All around was desolation. Beyond blessing or cursing was the power that moved him...

Learning that it can be more terrible living than dying, he was taken ahead through the cold stone jungles in order to be purified for GOD's great purpose. Finally, in the end of human strength, rendered inhuman, winning over the dust from where he came, his body became suitable to fulfill the CREATOR's will.

Now, with the kingdom of GOD established on Earth, formalized as SOUST (*Supreme Universal Order of the Holy Trinity*), the new catholic order, next then is the glory day of the LORD. Everyone will finally recognize INRI CRISTO as the Son of GOD. Nevertheless, for many it will be late, too late: **divine justice will shine**. *"I will come upon you as a thief, and you shall not know what hour I will come"* (*Revelation c.3 v.3*).

RESURRECTION

*Christ's physical ascension to heaven is a dogmatic snare,
humanity's stumbling stone*

So said **INRI CRISTO**:

“Humanity has been equivocally taught for centuries that, after my crucifixion, I resurrected in flesh and bone and physically ascended to heaven. It is absurd, a delirium, for besides mocking logic and science, it is against the eternal and natural law that GOD established at the time of Adam (“*You are dust, from dust you were taken and to dust shall return*” – *Genesis c.3 v.19*). Actually, I resurrected in spirit and appeared to people in spirit. Therefore, it is now necessary to clearly distinguish between resurrection, resuscitation and reincarnation.

Resuscitation means returning to physical life, reassuming the body that was apparently dead, what is named catalepsy by doctors. A person that seemed to be dead and lives again resuscitated. It was the case of Lazarus and Jairus’s daughter two thousand years ago. I had said that both were only sleeping (*John c.11 v.11 and Mark c.5 v.39*). Lazarus had already been inside the sepulcher for three days, evidently expelling an unpleasant smell for lack of hygiene; when I called him he came to meet me (*John c.11 v.1 to 46*). Jairus's daughter also resuscitated when I spoke in a loud voice: “*Arise!*” (*Mark c.5 v.41*). In the present time, my FATHER, LORD and GOD, has also worked well known miracles through my hands; the crippled walked, the blind saw, the deaf heard (see *The First Miracles* in book AWAKENER).

Reincarnation is being physically reborn, gathering a virgin body from a woman's womb. Ignorant people, spiritual orphans, say that reincarnation is an exclusive term for spiritualists. Actually reincarnation means physical rebirth, returning to flesh, and spiritualists are all those who believe in spirit existence, not just any odd group of isolated fanatics that demand this term for themselves. Reincarnation belongs in the context of divine law and appears many times in the Holy Scriptures. As an example, when the angel, talking about the birth of John the Baptist (*Luke c.1 v.13 to 17*), announces that he would come with *"the spirit and power of Elias"*, he is asserting that John the Baptist was the prophet Elias reincarnated. When I was called Jesus, I confirmed the fact by saying: *"If you will receive it, he is Elias that was for to come"* (*Matthew c.11 v.13 to 15*), as in the Scriptures it had been predicted that before the Messiah should come Elias (*Malachi c.4 v.5*). I said to Nicodemus: *"Except a man be born again, he cannot see the kingdom of GOD..."* (*John c.3 v.1 to 3*), as his head was full of fantasies; in this case, only being born again he would have the chance of comprehending the mysteries of divine law. I also told the disciples, at the last supper, that I would not drink of the fruit of vine until the day when I would drink it new with them in the kingdom of GOD (*Matthew c.26 v.29 – Mark c.14 v.25*). Since the spirit without the physical body obviously does not drink wine, I could only drink it again when reincarnated, being born again. Having cured one, blind from birth, the disciples asked: *"Master, who did sin, this man or his parents, so that he was born blind?"* (*John c.9 v.2*). Could a sin be the cause for blindness of a man born blind, if he had not

infringed divine law in a previous incarnation? In the Old Testament, in the account of the seven Maccabees brothers and their mother's martyrdom, when they were tortured, one of them said: *"From GOD I received these limbs, but now I despise them for defense of His laws; and from Him I hope to get them back again"* (II Maccabees c.7 v.11). There, it is clear that he was talking about reincarnation. By the way, it is the only logical explanation of inequality between people. I returned to Earth, as had promised, by reincarnation. I that speak to you am the First Begotten of GOD, Adam, who reincarnated as Noah, Abraham, Moses, David, etc., afterwards as Jesus and now as INRI. INRI is my **new name** (*Revelation c.3 v.12*), the name that Pilate wrote above my head when I agonized on the cross, when they spat on my face, when they humiliated me, when Scriptures were being fulfilled. Reincarnation law is not only explicit in the Bible but also was taught as Christian doctrine until the VI century (year 543), when emperor Justinian – obedient to his not so illustrious, but domineering wife, Theodora – abolished it.

Resurrection happens when the spirit of a person who disincarnated appears to one or more people, but rarely to all. The silhouette that appears generally corresponds to the last image that the disincarnate person had left in the collective unconsciousness before transcending to the cosmic realm. When I appeared to Thomas (although the doors of the house were shut), on showing him the marks of crucifixion, saying: *"Reach here your finger and behold my hands"* (*John c.20 v.27*), had he tried to touch the injuries, would have probed air, as only my spirit was there. Thomas did not see the image by normal reflected

light impulse stimulation, though the retinas and the brain's vision center would have still been involved. So, he saw my spirit with the spiritual eye; the image was formed thus, in his mind, in his psychic, as in a vision. Others present possibly did not see what he saw. It would be simply inconceivable for a cellular constituted body to overrule the laws of Physics and pass through physically constructed walls of a room.

People were erroneously taught by divine cause traitors to believe that I resurrected in bone and flesh and, in such state, went to heaven. How could I have gone 'to heaven' in bone and flesh if in sidereal space there is neither air to breath nor nutrition to support one's body, and temperatures border on -273°C , absolute zero? Apart from this, I would have gone there naked, as the roman soldiers had cast lots for my garments among themselves (John c.19 v.23 and 24). Actually, while soldiers lacked the guard, He sent faithful servants to gather my body, cover it with a new sheet and hide it in an anonymous sepulcher, in order to avoid the offensive sessions of derision and gibe that persisted, even after my crucifixion. After this event, I reappeared in spirit only, and for this reason, I went into houses with doors shut (*John c.20 v.19 and 26*) or incorporated in another's body.

On the way to Emmaus, two disciples were talking to a stranger about my crucifixion and did not see that, in reality, it was I who was walking with them. At the end of the day, they invited the man to have supper; but only at the time of breaking bread, by my peculiar way, did they identify me (*"On that same day two of them were going to*

*a village called Emmaus, about seven miles from Jerusalem. While they were talking and discussing, **Jesus himself came near and went with them, but their eyes were kept from recognizing him.** And he said to them: What are you discussing with each other while you walk along?" They stood still, looking sad. Then one of them, whose name was Cleophas, answered him: "Are you the only stranger in Jerusalem who does not know the things that have taken place there in these days?" ... As they came near the village to which they were going, he walked ahead as if he were going on. But they urged him strongly, saying: "Stay with us, because it is almost evening and the day is now early over". So he went in to stay with them. When he was at the table with them, he took bread, blessed and broke it, and gave it to them. **Then their eyes were opened, and they recognized him;** and he vanished from their sight... That same hour they got up and returned to Jerusalem; and they found the eleven and their companions gathered together. They were saying: "The Lord has risen indeed, and he has appeared to Simon!" Then they told what had happened on the road, **and how he had been made known to them in the breaking of the bread**" – Luke c.24 v.13 to 35).*

Now I ask you, my children: after the disciples lived with me for so long, would they not have recognized me had I been using the same body I had before crucifixion, even because the injuries would be evident? It is obvious they would have recognized me, but it did not happen because I was using another's body. Only at the time of breaking bread did I manifest myself to them; then by my unmistakable gesture they became aware of my presence.

The same happened to Mary Magdalene when she went to see the sepulcher the day after my crucifixion. Supposing I was the gardener, only after asking about me did she realize my presence, as I was incorporated in the gardener, using his carnal body to talk to her; otherwise, was it my own body, she would have recognized me immediately, even because my silhouette is not ordinary, nor without charisma (*"...When she had said this, she turned around and saw Jesus standing there, but she did not know that it was Jesus. Jesus said to her: "Woman, why are you weeping? Whom are you looking for?" **Supposing him to be the gardener**, she said to him: "Sir, if you have carried him away, tell me where you have laid him, and I will take him away. Jesus said to her: "Mary!" She turned and said to him in Hebrew: Rabbouni! "* – John c.20 v.14 and 16).

Now you can understand, my children, what really happened two thousand years ago. I spiritually resurrected and appeared to people; my physical body was given back to mother earth. Keeping my promise, I am back by the natural law of reincarnation, gathering my physical body from a woman's womb. My FATHER sent me again with the same shape and silhouette it had before crucifixion, as you may see in the Shroud. Nevertheless, before the Son of Man's glory day the prophecy regarding his return is fulfilled: *"First must he suffer many things and be rejected by this generation. As it was in the times of Noah, so too it will be when the Son of Man comes"* (Luke c.17 v.25 to 35).

Two thousand years ago, when I mentioned that in LORD's glory day the Son of Man would come upon the clouds of heaven, at that time it was very difficult for people to even imagine that someday GOD would inspire human beings to build things such as the airplane and the television. These magnificent machines will provide the fulfillment of my mission in agreement to the prophecies of Apocalypse, according to which in LORD's glory day I will visit all nations coming over the clouds and every eye shall see me. Yet before crucifixion GOD had shown me such things, but only now it is possible to give you the full explanation, so you may avoid the path of delirium, lie and fanaticism imposed upon people during my absence from Earth. They belong to the pharisees who imagined I would fly like a bird with some lights flashing around me. For those who ratiocinate within logic and coherence, in order to gather my children from all parts of Earth's dimension, I will obviously travel throughout the world by airplane, this ingenious invention unimaginable to human minds of those ancient times, but naturally previsible to GOD's supreme consciousness, the same that inspired scientists to build these magnificent flying machines precisely in the century of my reincarnation. Furthermore, all mankind will unavoidably contemplate my manifestation through television and internet (*"Behold that he comes over the clouds and every eye shall see him" – Apocalypse c.1 v.7*).

Coherence, logic and truth are inseparable. The wise meditate with discernment."

OFFICIAL AND DEFINITIVE RECOGNITION OF INRI CRISTO'S IDENTITY

In 1979, when the LORD GOD revealed INRI CRISTO's identity during the fast in Santiago of Chile, He imparted to him the knowledge that it would not be a reason for joy, for happiness. The LORD, GOD of Abraham, of Isaac and of Jacob, showed him that, for being His Son, the same Christ crucified two thousand years ago, INRI CRISTO would have to face the hatred of all those who claim to be his servants, but in truth are not. Yet they are contemporary pharisees and serve the interests of darkness principality; they are the same ones who shouted to Pilate: "Crucify him! Crucify him!", who reincarnated and hide themselves under the label of "Christians", "Evangelicals", "Believers".

Until that time, INRI CRISTO had not consciousness of his condition, as the forecast in the Holy Scriptures regarding his return was fulfilled (*"If you do not wake up, I will come like a thief, and you will not know at what hour I will come to you"* – *Apocalypse c.3 v.3*). After the fast, INRI CRISTO also had order from the FATHER of not revealing his identity to anyone until a broadcasting did it as if it had been by mistake.

INRI CRISTO went through all Latin American countries, presenting himself as emissary of GOD, but he still could not declare openly to be the same Christ crucified two thousand years ago. Many looked and saw who he is, however INRI CRISTO had to keep his silence. Finally, when he arrived at Mexico City, to fulfill what his FATHER had told him, the newspaper *Ovaciones* wrote this: *"INRI, el*

Cristo, habla al pueblo y cura los enfermos en el quiosque de la Alameda" (INRI, the Christ, speaks to the people and heals the sick in Alameda Square). From that day on, an enormous weight and a great responsibility came upon him, as only then he really started to feel the hatred of his enemies, enemies of GOD's kingdom, fulfilling what he said to the disciples regarding his return: ***"But first (before his glory day) must the Son of Man suffer many things and be rejected by this generation. As it was in the time of Noah, so too will it be when the Son of Man comes"*** (Luke c.17 v.25 to 35). Continuing his peregrination over the earth, wherever he would go, started to openly assert that he is the First Begotten of GOD, the same Christ who had been crucified.

In 1980, when INRI CRISTO arrived in France expelled from England, he stayed in room number 19 of *Hotel des Deux Gares*, at 162, *Faubourg Saint-Denis* Street, in Paris. At that circumstance, his FATHER, LORD and GOD told him: *"The moment has come when you must destroy in fire all these documents, because the name written in them does not correspond to the truth, it is not your true name. So far, through these documents I have hidden you as a thief (Apocalypse c.3 v.3), so as to protect you from herods of this century, which are the princes of churches and the false prophets. But now it is necessary that you destroy them in fire, beginning with the passport. Now begins the most painful time of your reproach; without documents everyone will repudiate and despise you, except some children of mine that will recognize your identity. You will be imprisoned, expelled and humiliated, however I will be with you. In the end of your suffering and reproach, I will*

make earthly authorities give you official documents with your legitimate name paid with your blood on the cross. When Brazil recognizes your identity you will legitimately sustain the dignity of a Christian country. From that day on, any living being who calls you by another name after having consciousness of your true identity and your true name, that is INRI CRISTO, will be cursed. While they do not officially recognize you as INRI CRISTO in Brazil, my Son, assume your condition of landless person". The LORD GOD showed INRI CRISTO that, if he were a Brazilian, he would have the right to be received in England, as Brazilian passport is valid in all countries with which Brazil keeps diplomatic relations. Or should they have expelled him to Brazil (the land where the Son of GOD reincarnated), not to France, at that time considered the shelter of landless people.

Obedient to the LORD's order, INRI CRISTO burned the passport and started to walk over the Earth as a landless person. He left France in direction of Belgium and Luxemburg, afterwards went back to France. Nine months later, he received an order from the ALMIGHTY to go back to Brazil definitely assuming his identity as INRI CRISTO. He was introduced to French Police in the company of some French children who had recognized him and witnessed to the policemen that his name is INRI CRISTO.

French authorities gave him one declaration and forwarded him to Brazilian Consulate, on Champs Elysées Avenue, in Paris, where the Son of GOD obtained a precarious certificate valued for 24 hours. They annexed a little photograph to the certificate and then wrote his

name, INRI, the name that cost the price of blood on the cross (*"To that who wins... I will write upon him the name of my GOD... and my **new name**" – Apocalypse c.3 v.12*). On March 18th 1981, INRI CRISTO returned to Brazil.

When INRI CRISTO arrived at Salvador (State of Bahia) on March 19th 1981, soon in the airport *Dois de Julho* he was detained as time had exhausted, 24 hours had passed. That certificate with no validity passed from hand to hand among the policemen. Some of them exchanged looks and whispers, others laughed. They asked what he went to do in Salvador. INRI CRISTO answered he had come to Brazil to fulfill the mission his FATHER had entrusted him with. Finally, even without documents, they liberated him and on March 22nd 1981, in the loneliness of a hotel room, INRI CRISTO completed 33 years of age. Then he started his peregrination throughout Brazil. From North to South, from East to West, he went all over the country speaking to people in public squares, in radios and televisions.

The first time INRI CRISTO was in Belem of Para, a host of the hotel where he stayed denounced him to Federal Police. The host alleged there was a Jew with no land and no documents in the hotel and asked police agents if they would not have an attitude. On face of that, INRI CRISTO was detained as a landless person by Federal Police, but they immediately liberated him after recognizing he is the Son of GOD. In Manaus, the D.O.P.S. (a department of Brazilian Police) detained him too, but soon set him free after public recognition, an event registered by local newspapers. In Boa Vista (state of Roraima), Federal Police suddenly detained him in the airport for not owning

documents. After a long interrogation, the policemen put 100 Cruzeiros (money of that time) into his bag with the intention to have part in INRI CRISTO's mission, saying the traditional phrase: "Sorry, it is too difficult to believe that Christ reincarnated!" The same happened in Rio de Janeiro (where delegate Guerlan Moraes asked him the blessing, according to journalistic registration on book AWAKENER 2nd part), in Goiânia (state of Goiás), in Cuiabá (state of Mato Grosso), etc. (look *Confirmation of INRI CRISTO's Identity* on book AWAKENER 1st part / in Portuguese).

In 1982, in the occasion of the Libertarian Act perpetrated inside Belem's cathedral (state of Para), which culminated in the birth of SOUST (*Suprema Ordem Universal da Santíssima Trindade / Supreme Universal Order of the Holy Trinity*), for the second time the established authorities officially recognized his identity as INRI CRISTO, as it is possible to witness in the *Prison Record* registered by prison "São José" (look book AWAKENER 2nd part). After fifteen days of reclusion, INRI CRISTO was liberated from prison without depending on advocates, to the astonishment of all those who positioned against the Kingdom of GOD. Then he went to Curitiba (capital city of Parana state) making official the foundation of SOUST, his new and only church, as the LORD determined and it is registered in the statutes that the provisional headquarters should be placed in the highest capital of the country (Curitiba) after the federal capital city, Brasilia, where the definitive headquarters will be placed in the event of the consolidation of the 1st Kingdom of GOD over the earth.

On September 29th 1982, to be in harmony with terrestrial laws, his FATHER ordered that he was officially registered as INRI CRISTO. Fulfilling the order of the ALMIGHTY, he presented with two witnesses in the 1st *Office of Curitiba District* as determines the law, declaring that his name is INRI CRISTO and he had never been registered, as in fact INRI CRISTO had never been registered. The birth certificate was conceded by judge Dr. Nelson João Klas, and with this certificate INRI CRISTO registered his new name in public organs on duty. He obtained all his documents (passport, identity card, CPF, etc.) in which his name INRI CRISTO was registered.

Ever since INRI CRISTO continued his peregrination through many countries, went back to France, where he founded the French sucursal of SOUST (*"Succursale française du Suprême Ordre Universel de la Santissime Trinité (S.O.U.S.T.). Object: institution du royaume de Dieu sur la terre à travers Inri Cristo, mentor spirituel du S.O.U.S.T., fils unigénite et primogénite de Dieu"*, extract from the *Journal Officiel de la République Française* published on November 29th 1983). But his FATHER, who knows and sees everything, had advised him that someday one person would come from Brasilia to remove him from ostracism. Unfortunately in a spectacular but very negative way, a man called Jose Honorato de Oliveira Junior accomplished this project.

In 1980, when INRI CRISTO spoke about the future of Brazil to the parliamentarians in Brasília at the invitation of Flavio Marcílio (president of Camera of the Deputies), the immobile corrector João Otávio Linhares Cavalcante,

member of the so-called esoteric institution *Rose Cross* (AMORC), introduced Jose Honorato to INRI CRISTO as a journalist, graduated integrant of the order. When this man knew about the foundation of SOUST, he came to Curitiba and insistently asked for many times to be admitted into the Ecclesiastic Body of SOUST until being accepted. After three months living under the disciplinary rule, his behavior was intentionally irreproachable in order to conquest trust from the integrants of SOUST. Jose Honorato took advantage of INRI CRISTO's absence (at this occasion INRI was in Lima – Peru) and, during the dawn of May 4th 1986, when everyone was sleeping, he broke into the treasury and robbed all the economies of LORD's house, the files, a tape recorder and a little television. He cut the telephone thread (to avoid people would call the police), the tube of break-oil in the automobile of the institution (so nobody could go to rescue him) and fled away, as the system of security and guard in SOUST had not been established at that time.

Only after showing his condition of traitor, the juridical department of SOUST had information that, like Judas Iscariots, he was a thief and had criminal antecedents for swindle and robbery. Some of the victims present in his criminal booklet were Mrs. Laisi, owner of hotel *San Paul* in Brasilia (who informed that hotel *Eron* had been attacked by the same stroke), also Mario and Lúcia Garófalo, owners of *Super Radio FM*, in Brasilia too. With these people and organizations, José Honorato behaved the same way as in SOUST: he ate, drank, robbed and protected his escape with a campaign of defamation against his victims (according to the deposition of SOUST's

Public Relations Secretary at that time, Disciple Apillar, dated of March 03rd 1989, filed in the 8th Department of Federal Justice in Paraná State). Due to this episode, GOD ordered INRI CRISTO to establish seven months of aspiration to the neophytes before granting them with the ecclesiastic clothing, so they would be subjected to the rigorous test of vocation to discipleship.

Natural from Goiânia (state of Goiás, Brazil) Jose Honorato always lived and worked in the federal capital city of Brazil. He never lived in Rio de Janeiro, nevertheless it was right from there that he fraudulently obtained from ABI (Brazilian Press Association) a false document of journalist (Ministry of Work number 14823/66 RJ). According to the information obtained from the investigation, he never attended a journalism course in university. In the sequence of his diabolic sick plan, **aiming to invert the condition of delinquent to the condition of accuser**, conspiring with darkness forces, he served from the extinct newspaper of sinister brown-press called *News Post* (Correio de Noticias), in Curitiba, to work out a violent defamation campaign against the Son of GOD during many days. The slanders were absurd, foolish, imbecilic. With the intention of inciting, exalting Brazilian Police, he said that INRI CRISTO had mocked the police of many countries. Among the insanities, he arrived to the point of inventing that INRI CRISTO gave poisoned sausage to the dogs of neighborhood, when in truth INRI CRISTO loves the animals. Ironically, certain occasion, being in the terrace of LORD's house, he was the one who saw INRI CRISTO ordering to alert the neighbor in time to save her dog from being caught by the city hall capturing car.

Afterwards, with the strength of ALMIGHTY's curse, this newspaper went bankrupt and the man who articulated the permission for the defamatory matter, Tony Luna (ex-presenter of a news TV program in Curitiba), died with cancer. The bad smell emanated from his entrails was so nauseous that not even the nurses could tolerate the stench of his sickness, as related a nurse who attended SOUST and witnessed the poor man passing away, in the accomplishment of divine justice. It is the time.

Through this pernicious defamatory campaign, authorities were coerced to start a lawsuit of ideological falsehood against INRI CRISTO, as the quoted newspaper put doubts on his identity. The denouncement was received on May 28th 1986. He was summoned to appear at delegacy of Federal Police. The LORD told him they would confiscate his documents, even so INRI CRISTO had to take them. He presented to the Superintendent of Federal Police of Curitiba, where they subjected him to long interrogation and, obviously, as his FATHER had warned him, confiscated his documents. But unusually, at the same time the Delegate of Federal Police, Dr. Reginaldo Silva Araújo, had retained them for being induced to doubt their legitimacy, was impelled to give the Son of GOD a photocopy of all the documents, authenticated by their own police; they are filed in SOUST. Finally INRI CRISTO was liberated and went back to his condition of landless person, because with his documents his nationality was taken from him too.

Accused for the crime of ideological falsehood, in the first instance the judge of the 8th Federal Justice Department,

Dr. José Almada de Souza, extensively questioned INRI CRISTO and saw who he is, and recognized his identity. At the end of the interrogation, in front of the policeman, the scribe and another person present at the moment, the judge extended his hand, but the Son of GOD could not reciprocate the gesture; since the fast in Santiago of Chile, the LORD said INRI CRISTO can use his hands only to bless. So, INRI CRISTO put his hands on the head of the magistrate. His juridical attorney, Dr. Edson Centanini, got to say: "Master, in these thirty years I worked as an attorney, I never saw a judge extend his hand to a defendant. And now Dr. Almada came to give you his hand and the Master did not respond to him. He could feel offended!" INRI CRISTO explained he proceeded like that in obedience to the LORD. Had he extended the hand to the judge, he would have prevaricated, scratched his legitimacy. But on the contrary, by putting his hands on the magistrate's head, he was giving him the blessing.

On this occasion, as the judge had recognized INRI CRISTO, if it depended on him the lawsuit would be stopped. Nevertheless, he also comprehended that, by liberating INRI CRISTO, he would be confessing his identity and, therefore, would then be condemned as a crazy person. To avoid running the risk, the judge withdrew the lawsuit on his care for many years. There was only one witness against INRI CRISTO, the false journalist who had caused the beginning of the lawsuit with the defamatory campaign.

When came the day of the meeting, in the presence of defense witnesses, the representative of Public Ministry,

João Gualberto Garcez Ramos, disparaging the 5th article of Brazilian Constitution and the articles 18 and 20 of the Universal Declaration of Human Rights (effected by ONU, to whom Brazil is signatory), required the suspension of the session pleading for the judge that INRI CRISTO be committed to a hospice, subjected to a legal medical examination, and that a curator be named to assume his church, classifying him a crazy person for his way of dressing. When the word was transferred to the defense, it wisely manifested alleging that the matter was not on mental sanity of the accused, but on his identity.

Due to such impasse, Dr. Almada required ten days to deliberate. Meanwhile, the ALMIGHTY determined that INRI CRISTO went personally in front of the judge to advise him that the attorney was not from the Republic of Brazil, but from Rome. INRI CRISTO's attorney said it is not regular practice for a defendant to look for the judge while he is deciding. But as it was an order from the LORD, INRI CRISTO ran over the rule and the judge received him. INRI CRISTO explained that the attorney who asked his interdiction was not from the Republic of Brazil, but from Rome, in other words, he was under the orders of Rome. It was Rome who really wanted to interdict him as a citizen, and his church, cutting his constitutional rights, the same way he had already unsuccessfully tried by pressuring the Judiciary Power from the state of Para on the occasion of the Libertarian Act perpetrated in 1982, and accordingly broadly reported in the local press. When INRI CRISTO spoke these things, the judge was stunned, pale, astonished. As he could be offended by the accusation to his colleague (officially both were servers of the Federal

Juridical Power), INRI CRISTO waited in silence to see if the judge Dr. José Almada de Souza would declare his prison sentence or if he would extra-officially accept that a serious denouncement had been made. His silence spoke for itself. After that period of tension, the judge did not pronounce a sentence, so INRI CRISTO put an end to the colloquy by asking his FATHER, LORD and GOD to bless him and left.

Ten days elapsed and he finally continued the lawsuit, refusing the request of Public Ministry representative. He argued that the judgment was not about INRI CRISTO's clothes, nor was the matter on his mental sanity, or his manner of dressing, but the accusation of ideological falsehood. As the judge glimpsed the hatred, the persecution there was against INRI CRISTO and would consequently be against himself if he absolved him, decided to shelve the lawsuit for almost ten years. In this long time, INRI CRISTO was restricted to the limits of the national territory in the condition of landless person; his only document of identification was the declaration effected by Magdalena Thais and Wilhelm Thais, the couple who raised him up during childhood (see *Declaration of Wilhelm and Magdalena Thais*). He named a Plenipotentiary Secretary who would sign for him on behalf of the institution (SOUST) and continued waiting.

On July 31st 1995, as only happens in an exception tribunal (in which the defendant does not see the face of judge), the federal judge Nivaldo Brunoni, whose face INRI CRISTO had never seen, judged him without considering the juridical principle "one witness, no witness", mainly

because the only witness had well-known criminal precedent, while many witnesses and plentiful documented proofs were presented in favor of INRI CRISTO. But all this was part of the prophecy in Luke c.17 v.25 to 35 (*“But first (before his glory day) must the Son of Man suffer many things and be rejected by this generation. **As it was in the time of Noah, so too it will be when the Son of Man comes**”*). The sentence was nothing but a vain attempt to condemn INRI CRISTO. As time works favorably for the Son of GOD, in the end he was absolved. After the lapse of an eight-year time span passed, the judge with no face had to declare the penalty prescribed.

On September 29th 1995, once more the attorney from Rome, not resigned with the decision, appealed to the Supreme Federal Tribunal. Nevertheless, on September 29th 1998, the judges in the 1st Joint of Regional Federal Tribunal, inspired by GOD, enlightened, unanimously denied continuity to the appeal of the Public Department; they voted in favor of restoring to the Son of GOD his right to citizenship. The lawsuit of ideological falsehood had expired.

Next, based on article 58 of law 6015 / 73, with new redaction given by the 1st article of law 9708 / 98, promulgated by the president of Brazilian Republic, Fernando Henrique Cardoso, INRI CRISTO could then claim to the Justice Tribunal of Parana State, in the Civil District of Public Registration, for the right to have his name INRI CRISTO on documents.

On the first instance, on December 8th 1998, the titular judge, Dr. Wolny Furtado de Andrade, refused the solicitation in attention to the opinion of Justice Prosecutor, Dr. Roberto Aires de Toledo Arruda. In the process, he vehemently opposed the request. Prejudging, Roberto manifested in the following terms: *“...The interested seems not owning appropriate equilibrium by doing the application he does here, taking into special account the arrogant pretension of having as first-name the initials that, according to biblical text, are above the cross where the Son of GOD died nailed on. It may be deeply offensive to true Christians and if goes on like this, the judiciary Power can not deliver the majesty of its functions to carry on such offense. It cannot”*.

These arguments could be considered usual had not INRI CRISTO been the Son of GOD. But victory was inexorable, as he obtained the official recognition of his identity in the superior instance. Ironically, instead of denigrating INRI CRISTO, the learned justice prosecutor did nothing but recognize the majesty of the King of Kings (*Revelation c.19 v.16*).

Next, on July 30th 1999, INRI CRISTO’s attorney appealed .in the second instance. On May 17th 2000, the chief judges of Eminent Justice Tribunal of Paraná State, inspired by GOD, serenely impartial, approved the appeal and, on October 24th 2000, issued the revering decree determining the rectification of INRI CRISTO’s birth certificate in the Public Registry Office in the Borough of Indaial (State of Santa Catarina – Brazil); consequently his name INRI CRISTO was registered on all his documents (passport, RG,

etc). **INRI** is the name Pilate wrote above his head when he agonized on the cross and **CRISTO**, in translation of Greek, means the anointed one.

Therefore, having been released from the uncomfortable condition of landless person, INRI CRISTO definitively assumed his rights of citizenship still in the 20th century. With no economic resource (as he does not own material goods and will never own), living under the protection of Divine Providence, waited twenty years to have his right to nationality restored, without abdicating his identity. Even the attorney **Dr. Edson Centanini worked for ideal, did not demand one cent for advocacy fee.**

It is curious and comforting to observe that, while presidents renounce, state ministers, judges, senators, deputies spend fortunes to defend themselves, with the use of thousands of frauds aiming to hide their crimes (and even so they are unmasked, stripped from their titles and perks), INRI CRISTO crossed unharmed and unblemished through this black tunnel full of roman serpents, scorpions and alligators. In twenty years of delay, overcoming the slowness of justice, he definitely obtained the official recognition of his identity as INRI CRISTO before earthly authorities. That is the time.

***INRI** is the new name of the Son of GOD. It means, in Latin, Jesus Nazarenus Rex Iudaeorum. Translating: Jesus of Nazareth, King of Jesus (John c.19 v.19). **CRISTO**, translated from Greek, means "the anointed one", in the singular.*

*In other words: INRI CRISTO means **Jesus of Nazareth, King of Jews, the anointed one** (“To whom that wins... will I write upon him the name of my GOD... and my **new name**” – Apocalypse c.3 v.12).*

PREDESTINATION

So said **INRI CRISTO**:

“Through many experiences and outstanding facts in my life, my FATHER, LORD and GOD showed me that when something is foreseen, predestined by superior realm to happen under His regency, nothing or nobody can stop it from happening. My return to Earth was predicted; to make it happen, my FATHER, in a silent movement, gathered two bodies together in a peculiar way. As my reincarnation and the accomplishment of my mission as judge were in the plans of GOD, then even if everything might show apparently unfavorable, with His powerful hand He always manifested favorably, making destiny follow its course.

Sometimes GOD’s movement manifests in mother nature’s loud groans of pain,: in thunder shudders, in the awakening of destructive volcanoes, in the unpredictable earthquakes which devastate whole cities, in the impetuous agitation of tides... But GOD’s movement may also be imperceptible to men’s eyes. Ordinarily, the silent movement of GOD is in action, in a subtle, unceasing and tireless way, following the course He established.

On a certain occasion, the woman who raised me up when I was a boy, Magdalena Thais, fell into a river with me and would have fatally disincarnated, drowned, had divine intervention not manifested, as she did not know how to swim. But Divine Providence used Wilhelm Thais, her husband, to rescue us. Years later he told me he had never felt so strong as he was that day. He told me that a very

powerful strength possessed his body and he never swam so well, he never had so much strength to take us from the water. So, it is possible to comprehend that my physical presence on Earth was in GOD's plans. This was only one of the many proofs GOD subjected me to.

Afterwards, in the course of my life, I had countless amazing, outstanding, very strong experiences; my FATHER, LORD and GOD allowed them to happen so as to give me strength and consciousness that I have to fulfill my mission and nothing, and nobody can stop it from happening. I suffered dozens of car accidents, threats of death and passed through countless situations of violence, as an example the massacre in Ponta Grossa (look on book AWAKENER 1st part), etc. But all this was providential so that, in the moments of adversity, when I had to face the ups and downs of life in my long walk over the earth, I was absolutely sure of unchangeable, inevitable victory and that glory will grant me love. Through suffering and reproach of my contemporaries that I myself foresaw before being crucified (*"But first (before his glory day) must the Son of Man suffer many things and be rejected by this generation. As it was in the times of Noah, so too it will be when the Son of Man comes"* – Luke c.17 v.25 to 35), the LORD All-Powerful gave me knowledge I have to fulfill my destiny.

When something is programmed for thousands of years, it is useless when human tempests get upset, when pigs grunt, when dogs bark. The scheme of boycott that the enemies of GOD's kingdom work against me in the media will be unfruitful, as when the right time comes, inevitably

the black curtain of boycott will be wrecked and negative forces diluted; GOD will remove the visors from humanity's eyes and I will be seen by everyone in a worldwide TV net, as it is foreseen "every eye shall see me" (*Revelation c.1 v.7*).

Human beings who dare to try and stop nature from following its course and the Son of Man from ascending to power to glorify the saint name of the LORD, will be destroyed, eradicated, exterminated by the saint fury of my FATHER, as already happened to many. There is no strength on the face of Earth, there is no strength in the Universe able to stop the Son of GOD to accomplish the trajectory established by the CREATOR. **Even if a face different from mine is invented as an order from Rome – as has already been done – trying to sway people that the image impregnated in the Shroud of Turin by the hands of Divine Providence is not my face**, even if they throw any kind of doubt aiming to hide the sun with a sieve (as if it were possible), all will be in vain (*"A city built on a hill cannot be hid. No one after lighting a lamp puts it under the bushel basket, but on the lamp-stand, and it gives light to all in the house"* – *Matthew c.5 v.14 and 15*). Any wickedness they try to do against the Son of Man will return to senders, as what is written and was previewed, planned by my FATHER, was assimilated by mother nature and will inevitably happen.

Time is my ally, my accomplice and inseparable company on Earth. Time accompanies me favorably and witnesses the faithful fulfillment of the prophecies I announced

before being crucified, because time passed, but my words will not pass”.

*The Morning Shining Star will emerge **to the rejoicing of men** with pure heart, the simple, the humble, the faithful, the righteous, the ones who love truth, hope and serve righteousness.*

DIES IRAE

On the occasion of the Libertarian Act perpetrated inside Belem's cathedral on the historical February 29th 1982 (state of Para, Brazil), INRI CRISTO was detained in prison "São José". Meanwhile, the journalist Vicente Cecim (member of newspaper *A Província do Pará*) on March 7th 1982, inspired, wrote a matter titled *Dies Irae* (GOD's Wrath), where he stated:

"(...) In galaxy NGC 6946, one star is fulfilling its unique destiny, which is to "conclude the existence with a shining explosion". Do "lords of death" think of prohibiting the star to do this? Do they think of calling a van of police full of soldiers, take the star to a hysterical delegate and arrest it into prison "São José"? It would be beautiful enlightening that house of eternal darkness, no doubt. But – attention – the explosion, no jail could detain it. And the star explosion is inevitable, guarantees professor Wild (...) INRI CRISTO, into his reclusive jail for denouncing privileges... at this moment is also fulfilling his unique destiny, he is preparing his shining explosion too. He and the star make the bridge that unites human being to total mystery, they combine a lonely choice, beyond the reach of unjust laws that you, lords of resignation, want for keeping life out of its mind. A crazy life, yes, but due to exceeding jails, exceeding laws, exceeding signs of: everything is forbidden among our feet and the feet of our children, and the children of our children, because you, lords of death, fear we teach them to love freedom".

THE LIBERATOR

So said **INRI CRISTO**:

“I am the liberator, and I am back in this world to set my people free from false religious yoke, idolatry fetters, fantasy and lie. I love freedom and set free those whom I love. If they come back, it is because they recognized me and are my children, worthy of my FATHER, LORD and GOD, who is in me. If they are not back, it is because they never had part with me”.

THE APOCALYPSE PROPHECIES

The things to come upon humanity

So says INRI CRISTO:

“By grievous misuse of free will, mankind has built weapons of mass destruction, violated GOD’s sacred laws and forgotten the holy commandments. Through acts and thoughts, they have planted catastrophes and earthquakes that, followed by the nuclear hecatomb, will culminate in the end of this chaotic world. Less than one million people will remain alive on earth, of whom the majority will be maimed; many will beg for death, that will be initially withheld from them.

GOD, our **FATHER**, the only **LORD** of Heaven and Earth, will be glorified during the next thousand years. There will be no human being on Earth who do not conduct their lives in accordance with His laws and recognize His omnipotence, omniscience and omnipresence.

All will subject themselves to a process of spiritual alignment and will keep faithful to Him, fulfilling what I said before being crucified: *“There will be one flock and one shepherd” (John c.10 v.16).*

The elect and their descendants will not want political, territorial nor religious disputes. All of them will walk together with their thoughts turned to only one ideal. Fraternity will effectively exist among men, who will be stripped of hypocrisy, hatred, wickedness, selfishness and

emotional blackmail. They will do their utmost to fulfill the holy commandments.

Prisons will be turned into schools, as in the future, men purified in suffering will so evolve to eliminate delinquency.

Medicine will evolve and employ healing for illness that torment the body in the spirit, because after much suffering and error, humanity will become conscious that all weakness and all physical illness have their beginnings in soul illness.

Sex will be practiced as a rite of veneration to GOD. Stripped of bestial instincts and almost completely conscious of procreation mysteries, the man will unite with the woman in the light of spirituality, acknowledging her divine origin.

Money will be used only as a sacred link to simplify human relationships. Humankind will return to the simple and free life in intimate, perennial communion with nature, and will prefer the simple, natural nutrition of fruits and vegetables.

The noblest profession during the next thousand years will be agriculture. Man will search in mother earth for the mystical bread for the divine banquet with the same innocence children look for the vital milk in mother's breast, to give them growth and survival, before the caring and approving gaze of our FATHER".

THE NEW LORD'S PRAYER

GOD's revelation to INRI CRISTO

Oh FATHER
Eternal, ineffable
And infallible GOD,
CREATOR of the Universe,
Hallowed be thy name,
Thy will be done
On earth as it is in heaven.
I give thanks for all food
Emanating from thee.
Keep me from errors
And enlighten me
So I can serve thee
Without mistakes,
Glorifying thee
Now and for ever,
Oh FATHER!

When he was called Jesus, INRI CRISTO taught us to pray:
*"Our Father, who art in heaven... **thy kingdom come...**"*
(Matthew c.6 v.10). He also said before being crucified:
*"My kingdom is not of this world: if my kingdom were of
this world, then would my servants fight, that I should not
be delivered to the Jews. But **now** is my kingdom not from
here"* (John c.18 v.36 – from Gideons International Edition).
The ALMIGHTY, in His infinite goodness, answering
Christians' pleas, after two thousand years sends His Son
back in flesh and bone, in order to bring his kingdom on
Earth, formalized as SOUST. Therefore, it is now

inappropriate to ask, *“thy kingdom come”*, as it has been established since 1982. After 23 years in Curitiba (state of Paraná, Brazil), now the definitive headquarters of SOUST is placed in Brasilia, the capital of Brazil, mystically named the New Jerusalem (*“And I saw the holy city, the new Jerusalem, coming down out of heaven from GOD...”* – *Revelation c.21 v.2*).

Our FATHER has revealed this prayer to His Son INRI CRISTO, as the New **LORD’s PRAYER**, that is the most perfect, the most wonderful, the most powerful pray and the most sublime way to contact our Celestial FATHER. The legitimate children of GOD, the authentic Christians, heirs of the Kingdom of Heaven, consciously and confidently learn to pray the New LORD’s PRAYER and make a communion, establish a symbiosis with the Supreme Creator, **the only non-created being**, the only Eternal, the only being worthy of worship and veneration, the Only LORD of the Universe.

THE PRAYER

So said INRI CRISTO:

“Prayer is the mechanism of divine law for contact and communion with the ALMIGHTY. GOD knows our needs. **However, for the same reason we need exposure to the sun to obtain its emitted beneficial and shining rays, that is the reason why we have to pray.** Prayer works as a code to achieve the cosmos. When you pray, you project your words to the infinite and they will action the cosmos so that your pleas are heard. But the LORD does not hear your words unless your soul goes together the words; communion with the LORD needs your soul to be at one with your words. That is the key to the symbiosis with Him.

As an example, consider your relative in Germany, he may well know you have needs, but without you phoning, he awaits your requests, to both avoid breaching your rights of choice and therefore giving only that which you identify as a need. Now understand why I said when I was called Jesus: *“Ask, and it will be given you; search, and you will find; knock, and the door will be opened for you. For everyone who asks receives, and everyone who searches finds, and for everyone who knocks the door will be opened” (Matthew c.7 v.7 and 8).*

“Whatever you ask for in prayer with faith, you will receive” (Matthew c.21 v.22).

“Whatever you ask for in prayer with faith, you will receive” (Matthew c.21 v.22).

DECLARATION OF WILHELM AND MAGDALENA THAIS

We, Wilhelm Thais and Magdalena Thais, for the inherent finalities, declare that on 03/22nd/1948, have received at our home, in the locality of Rio Morto, borough of Indaial, State of Santa Catarina (Brazil), the visit of midwife Mrs Bema, who gave us a boy whose origin parents were not known to us and whose true name is Inri Cristo, and we have raised him up as our son.

At the age of thirteen, he became unsubmitive and started to live independently from us, constantly changing home, working as greengrocer, baker, food deliverer, etc., always in different places and even in different cities. Sometimes he passed more than a year without visiting us.

From 1971 on, we started to watch him on television announcing the future of people. In the year of 1978, he visited us and said he would have to leave Brazil and return only three years later. Since then, we did not have any more information about him unless a report in the magazine *Fatos e Fotos* (Facts and Photos), number 1006, from 12/1st/1980, that showed him in France healing the sick and in which he said he was called Inri Cristo and was the Son of GOD reincarnated. In 1981, we got surprised by program Fantástico, from Globo TV, when, among the crowd, he said again that he was called Inri Cristo and was the Son of GOD that returned to Earth. We got astonished because after three years of absence he had not even come to visit us.

Many months later, he visited us followed by three people. We approached to embrace him but he repelled us, asserting that when was fasting in Santiago of Chile, his FATHER, LORD and GOD revealed him that we are not his parents but he is our Father and Father of humanity, and that his true name is Inri Cristo and not only in his name, but he is the same Christ who was crucified.

*Blumenau, May 16th, 1986 / Santa Catarina State / Brazil
Wilhelm Thais / Magdalena Thais*
